Spec TT-01 Rules

1. **Absolutely NO changes to the chassis with the exception of slight modification to body posts in order to fit a body.**
2. **Any location for ESC (electronic speed control) and receiver is allowed, some models of TT-01 include a tray for the mounting of Tamiya's CPR unit. Use of this tray for standard radio/esc mounting is allowed.**
3. **The use of oil filled dampers (shock absorbers) is not allowed. Spring changes are allowed.**
4. **Only original non-adjustable tie-rods and suspension components are allowed. No adjustable turnbuckles or camber links etc.**
5. **Foam bumper maybe cut and/or trimmed to better fit a body. No modification to bumper mounts is allowed.**
6. **The use of ball bearings anywhere on the chassis, gearboxes, wheels, hubs, is allowed. Motor excluded.**
7. **No changes to gearboxes. No ball differentials, no ball bearings, and only 61-tooth spur and 19-23 tooth pinion allowable gear ratio.**
8. **Any style 190mm lexan body is allowed. Only wings that come as part of a body set are allowed. No aftermarket wings.**
9. **Any compound, any tread, 24-26mm rubber sedan tire is allowed. The use of foam tires is prohibited.**
10. **The use of rollover, or "stiff" antennae is prohibited. Antenna may be mounted under the body.**
11. **Only original Tamiya "Silver-Can" Mabuchi 05 motors are allowed. No modification to motor, can, brushes, armature, windings or bushings is allowed. Cleaning and lubrication of motor without disassembly, is allowed. Any motor connector is allowed.**

12. Any 6 cell NimH battery pack with a capacity of no more than 3300mAh is allowed. Stick packs and side-by-side packs are allowed. Any battery connector is allowed.
13. **If the rules do not specifically allow an item, than that item is not allowed, i.e. If We don't say you can...it's illegal.**
14. **The race will consist of two five minute qualifying heats and a final five minute main.**
15. **The starting order of the main will be in the reverse order of the final qualifying results i.e. first place will star last...last place will start first etc.**
